SHERAZADE SWING FRAME

Sherazade Swing Frame è una porta singola a battente prodotta su misura, che si distingue per la grande pulizia formale e la cura dei dettagli, con stipite telescopico e cerniere a perno regolabili.

Un vetro temperato monolitico da 6 mm o stratificato da 3+3 mm è inserito tramite guarnizione in un telaio d'alluminio, fornito in cinque diverse finiture.

I vetri, disponibili in una vastissima gamma di finiture, sono certificati secondo le normative di sicurezza ANSI Z97.1 e UNI ENI 2150 (ad eccezione di 533. armato).

Sono disponibili anche pannelli in gres o in legno, con diverse finiture ed essenze.

È possibile montare tre tipi di serratura (senza blocco, con cilindro, con nottolino) e scegliere tra maniglia o pomolo che, come lo stipite, sono forniti nella stessa finitura del telaio.

Sherazade Swing Frame is a single custom made swing door with a telescopic jamb and adjustable pivot hinges, which stands out for its clean lines and attention to detail.

The monolithic 6 mm. or laminated 3+3 mm. thick tempered glass is inserted by means of a seal in the aluminum frame, which is supplied in five different finishes. The glasses are available in a wide range of finishes and they are certified according to the safety regulations ANSI Z97.1 and UNI ENI 2150 (with the exception of 533. armato).

Panels in stoneware and in wood with different finishes and essences are available too.

It is possible to assemble three kinds of lock (without block, with cylinder, with revolving plug) and choose between handle or knob and, like the jamb, they are supplied in the same finish of the frame.
